What is bioPhysioTherapy?

- A modern and scientific approach to alternate therapy.
- **Modernize** the Traditional Systems with **"Technology"**
- Combining the Goodness of both Mainstream & Alternative Medicines
- Ayurveda, Acupressure, Acupuncture, Homoeopathy, Yoga etc. – in a New **Hi-Tech Avatar !**
- **Root cause-based** diagnostics as well as Treatment.
- **Instant Diagnosis**, even before the Symptoms are visible.
- **"No" Negative Side Effects**, rather **positive side effects**.
- Machines give **Accelerated Results**, less time per session & less number of sessions
- **Multiple Alternative Therapies get applied in parallel**
- Easy Solutions to **Gynae Issues & Protection from Cervix/Uterus/Brest Cancer** etc.
- Magnet, Massage, Scrapping, Cupping, Laser, Music Therapy, Neuro Therapy, Quantum Energy, Auricology, Adv Brain Stimulation etc.
- Balancing Five Elements, Chakras, Meridians, Aura, bio-Electricity, Body Chemicals, Vaata-Pitta-Kapha in a Scientific way
- Compliment mainstream treatment to taper & eliminate dependence on Steroids, Insulin, and other drugs with side effects.
